Statement regarding the processing of personal data provided by the User of the site
CASADOROFUNGHER Comunicazione

Data Controller: CASADOROFUNGHER Comunicazione, with headquarters in Via Bissolati 6, 30172 Mestre (VE), Italy. Informativa resa all'interessato ai sensi dell'art. 13 del D.Lgs del 30 giugno 2003 n. 196. Privacy statement for the data subject pursuant to Article 13 of Legislative Decree no. 196 of 30 June 2003. Pursuant to Article 13 of Legislative Decree no. 196 of 30 June 2003 (hereinafter referred to as 'Legislative Decree no. 196/2003') – establishing provisions for the safety of persons and other parties with regard to the processing of personal data – CASADOROFUNGHER Comunicazione in the capacity of 'Data Controller' of the processing of the personal data of the users (hereinafter also referred to as 'Site Users' or 'Site User') of the site <http://theitalianglassweeks.com/> (hereinafter also referred to as 'Site').

0. Protection of personal data.

The Data Processor, CASADOROFUNGHER Comunicazione, will gather and process the personal data of all Users in compliance with Legislative Decree no. 196 of 30 June 2003, which establishes provisions for the safety of persons and other parties with regard to the processing of personal data. In particular, the personal data of all Users will be processed subject to obtaining express consent, in writing if necessary, following the provision of the present 'privacy statement', supplied pursuant to Legislative Decree no. 196 of 30 June 2003, containing, in particular, an indication of the Rights of the data subject.

1. Source of personal data obtained 1.1. Direct collection The personal data (or certain data described as 'personal' pursuant to Legislative Decree no. 196/2003) are obtained by the Data Processor, CASADOROFUNGHER Comunicazione, directly from the User:

- (a) either at the act of registering on the Site and/or on navigating in the said Site;
 - (b) or at the User's request for the sending of electronic and/or hard-copy free publishing products, including periodical newsletters, invitations to exhibitions and events, programmes of seminars, conferences, lessons, etc.;
- 1.2. Technological collection and reference to the 'Cookie Policy'. At the act of registering on the Site and/or on navigating in the said Site, data may be collected regarding the technological equipment such as, for example, the operating system used, the Host ID and the IP

address, the pages visited (navigation data). Cookies, web beacons and similar technologies, of which this site makes use, also make it possible to recognise:

- the IP;
- the type of browser used;
- the operating system used;
- the Website from which the User comes;
- the date and time of the visit;
- the URLs of the pages consulted;
- other navigation data, as for example the downloads carried out.

In referring for more specific information and warnings regarding the 'Cookie Policy' for this Site, we would advise all Users that all browsers now make it possible to remove and block cookies and web beacons. If the User removes or blocks the cookies he/she will have to reinsert the username and password each time, and will obtain generic information not targeted at his/her more specific interests, so losing a lot of the advantages the service offers.

1.3. Collection of data from third-party sources. Possible sharing of data with third parties The Data Processor and the Data Controller (also through the intermediary of the former) may occasionally receive information concerning the Data Subject from other sources, such as for example counterparts in commercial contracts or from companies or foundations which may be affiliated, controlled or subject to a common control (outside Italy), or from acquired or simply accredited companies and/or from other organisations (such as for example: profit-making companies, cooperatives, consortia, foundations and/or associations, also outside Italy; public bodies, etc.) and may add and cross-reference this information with the information already available. If the User transmits the information of a third party (or if a third party transmits information to us in his/her name), we explicitly require that the party transmitting the information has received the consent of the party providing it. Some parts of the content of the Site may furthermore be offered on a shared basis with third parties (the so-called 'co-branded'). In these cases, when the User transmits, indicates or communicates in any way his/her personal information to the CASADOROFUNGHER Comunicazione he/she should bear in mind that this information will be made available to both the Data Processor and Data Controller and to the third parties that offer the said goods and/or services on a shared basis with the Data Controller. In addition, it is possible that the CASADOROFUNGHER Comunicazione will share with third parties the personal data gathered through the channel of the Internet or advertising purposes and for information concerning cultural activities and/or publishing initiatives (as for example: exhibitions, shows, conferences, etc.) designed, created, produced, sponsored and/or curated by the Data Controller jointly or with the cooperation of these third parties.

2. Purposes of personal data processing

The personal data are collected with the objective of managing the services provided to the user through the Site and also of developing a targeted communication with the User through:

- the opening and reporting of the Site User's accounts;
- the planning of the Site User's accounts;
- the personalisation of communications concerning cultural activities and content of interest for the User;
- the sending to the User of information concerning new cultural and recreational services supplied by the Data Controller and by third parties;
- the sending to the User of information and advertising messages (in the form of electronic and/or hard-copy newsletters, invitations, brochures, posters and other such, distributed both in electronic and hard-copy form) concerning the cultural activities (events, exhibitions, seminars and connected activities) produced and/or organised by the Data Controller and/or Data Processor with and/or by third parties, market research carried out on behalf of the Data Controller and/or Data Processor and/or third parties (involving the possibility of communicating the personal data of the Data Subjects to third parties appointed to carry out such operations)
- analysis of the way the User uses the service (involving the possibility of communicating the personal data of the Data Subjects to third parties appointed to carry out such analyses)
- monitoring of the service supplied to prevent unauthorised use of the contents and breaches of the service conditions (involving the possibility of communicating the personal data of the Data Subjects to third parties appointed to carry out such monitoring operations)
- prevention of fraud and illegal activities (involving the possibility of communicating the personal data of the Data Subjects to third parties appointed to carry out such prevention operations)

3. Means of processing and scope of communication of the personal data

Processing will take place through the use of instruments and procedures suitable for ensuring the safety and confidentiality of the said data and will be carried out with the help of electronic means and Authorised Persons in full compliance with the provisions of the Minimum Safety Measures, as set out in the technical Procedural Guidance concerning minimum safety measures – Annex B to Legislative Decree no. 196/2003. The data in question will be processed by CASADOROFUNGHER Comunicazione and established Representative, appointed in accordance with Article 5.2, Legislative Decree no. 196/2003, and in particular by the Persons Authorised to process.

4. Provision of personal data

4.1. The provision of the personal data is in any case optional and failure to provide them does not prejudice navigation on the Site in any way. With regard to the personal data provided directly by the User, please be aware however failure to provide data indicated as 'obligatory'. On the other hand, failure to provide further data (not 'obligatory') has no consequence for the User regarding navigation on the Site and/or periodic information services (newsletters etc.) and/or other connected services.

4.2. Regarding the data collected by the use of electronic means, with reference to cookies and other web beacons (and without prejudice to the advisability of the complete reading of the 'Cookie Policy' of the Site), please note that the User may however decide at any time not to enable or to disable their use by means of the options supplied by his/her navigation software; failure to provide the data that can be obtained through the use of cookies and other web beacons has no detrimental consequence for the User with regard to navigation on the Site, except that it becomes impossible to register and/or access the reserved sections of the Site, for which it is necessary not to disable the use of cookies or other web beacons. With regard, however, to the navigation data obtained automatically in the course of their normal operations by the IT systems and software procedures governing the functioning of this Site, if the User does not wish to provide these data he/she may not navigate on this Site.

5. Communication of the personal data
